MINUTES

The 172nd annual session of the Pennsylvania Conference, Church of the United Brethren in Christ, was opened at 8:30 A. M. Tuesday, August 23, 1960, at the Rhodes Grove Camp Grounds, R. R. 6, Chambersburg, Pennsylvania. Throughout the day, pastors of the respective fields appeared before the Committee for auditing pastors' reports and pass books.

TUESDAY EVENING

The opening service of the Conference was held at 7:30 P. M. Tuesday in the tabernacle at the Rhodes Grove Camp with Dr. Clyde W. Meadows, senior superintendent, presiding and directing the song service. Mrs. Meadows served as pianist. Following the singing of "All Hail The Power of Jesus' Name" and "Sweet Hour of Prayer," Rev. Dale E. Kline led in prayer.

Announcements were made by the presiding officer and Rev. Leroy L. Perry received the offering amounting to $33.47.

The Pennsylvania Conference Ministers Chorus, under the direction of Dr. Meadows, sang "Battle Hymn of the Republic," with Rev. Paul B. Baker as soloist.

Dr. C. E. Carlson, Bishop of the east district of the Church of the United Brethren in Christ, called the conference into session and the roll was called by the secretary with 36 ministers responding.

In the opening remarks by the Bishop, he stated that he is now closing the fourth year of annual conferences and thus is completing the annual sessions of the 1957-61 quadrennium.

Bishop Carlson challenged those present for the opening service on the thought of being called unto the fellowship of God's Son and of experiencing this fellowship with Jesus Christ and with one another. "There must be fellowship in the realm of the mind," he said, "because God is thinking His thoughts through us and often shares His purposes with us." He referred to Paul's admonition, "Let this mind be in you which was also in Christ Jesus," and also referred to the experience of Abraham when God spoke to him concerning the condition of Sodom and Gomorroh.

"We must know the mind of God before we act," he pointed out, "because failure often comes as a result of not knowing it."

In knowing the mind of God, examples were given of missionaries who had had revelations from God and then had courage to move forward regardless of the opinions of others.

The Bishop said that there is in addition the fellowship of ministering and also that of suffering as the redemptive love of God must reach out through us. Then this type fellowship brings about fellowship among the saints. In a world filled with jealousies, envies and hatreds, a new demonstration of this fellowship is needed. Where people are in loving fellowship with one another, others will come and find Jesus Christ as Saviour.

He closed the evening message by challenging his hearers to accept this call to fellowship, realizing that God is faithful and that God is marching on.

Following the closing prayer by the Bishop, fourteen lay delegates presented their credentials.

The bar of the house was set, by motion, to include the first six rows of seats across the two center sections of the tabernacle.

Jacob Socks was seated, by motion, as the delegate from Pen Mar.

Walter M. Burkholder and Wilbur Sites were appointed to serve as pages. C. Ray Miller was elected conference secretary and Dr. Meadows was elected to serve as assistant chairman.

The program, by motion, was adopted subject to necessary changes.

The conference adjourned on motion. Announcements were made and prayer was offered by Rev. Earl W. Shoap.

WEDNESDAY MORNING

The conference was called into session at 8:30 A. M. by Bishop Carlson and the roll was called with 35 ministers and 11 lay delegates answering to their name. Seven delegates then presented their credentials.

Rev. Walter M. Burkholder was presented to the conference as the morning devotional leader for the sessions of the week. Rev. John H. Roland led in the singing of "Blessed Assurance," with Mrs. A. E. Martin serving as pianist.

Rev. Burkholder led in prayer and then presented the first in a series of brief messages on the first Psalm with emphasis upon the first verse of the Psalm. He pointed out that the state of blessedness is the state of happiness and complete satisfaction. Those who walk in the counsel of the ungodly, who stand in the way of sinners, and who sit in the seat of the scornful fall short of this blessed state.

"A downward progression," he said, "which is a very subtle thing, is noted in this verse, and with this downward progression, a picture of the ungodly (verse 4) is given."

The minutes were read and approved.

Two delegates presented their credentials and were seated within the bar.

Rev. Hinkle presented the plans for a new Church sanctuary which could be constructed at a cost of $30,000-$32,000, including furnishings. A loan of $20,000 may be made from a local bank, he reported, for this purpose.

He then requested that the Pennsylvania Conference support this project to the extent of $10,000, in addition to what has been done in the past. He stated that he and Mrs. Hinkle will contribute $1,000 of the amount. The matter was referred, by motion, to the incoming Conference Council of Administration.

The results of the morning elections were announced. (Note list at beginning of booklet naming Conference Officers and Boards.)

Those elected to the Committee to Station Superintendents were: North District—A. E. Martin and C. Ray Miller; Central District—Paul B. Baker and Leroy L. Perry; and South District—Charles G. Barnhart and Earl D. Peters.

A motion prevailed that during the Conference elections five persons be elected as the Virginia Board of Trustees of the Pennsylvania Conference, Church of the United Brethren in Christ.

Howard M. Yohe reported concerning the illness of his mother and requested that he be excused from portions of the Conference sessions due to this fact. The request was granted.

Rev. Kline was called upon to lead in special prayer in her behalf.

A motion prevailed that Rev. Stanley Peters, Editor-in-chief of United Brethren publications, be allowed 15 minutes to speak to the Conference at a time set by the chairman.

The concluding report of the Nominating Committee was read by Paul B. Baker. Ballots were cast and were given to the board of tellers.

The Committee on Memoirs' report (No. 18) was read by Paul B. Baker and was adopted on motion.

The Conference recessed for 15 minutes.

The Conference reconvened and Bishop Carlson read the resignation of Dale E. Kline as a member of the Conference Board of Trustees. The resignation was accepted with regret and Earl J. Ensminger was elected to fill the vacancy.

A partial report of the election results was announced. (Note list at beginning of booklet naming Conference Officers and Boards.)

The Moral Reform report (No. 19) was read by Laban G. Hawbaker and was, by motion, adopted.

A motion prevailed that the invitation of the King Street Church to entertain the Fall Ministers Conference be accepted.

By motion, Dr. Meadows was authorized to set the date for the Conference.

The date for the Fall Conference was then announced for October 17.

A motion was made and seconded that the special order for the Memorial service be changed from 3:00 P. M. to 11:00 A. M., Friday, provided the change meets the approval of the Memoirs Committee.

By motion the matter was tabled until contact is made by the committee with Mrs. C. A. Mummart in regards to this change.

Glen R. Perry read the report of the Committee on Resolutions (No. 20). The report was adopted.

A motion prevailed that copies of the seventh item in the report of the Committee on Resolutions be provided, and that this be read by each pastor of the Conference on the Sunday immediately following Annual Conference. (See Report No. 20.)

By motion, the matter concerning the time change for the Memorial service was lifted from the table.

It was reported that Mrs. Mummart would be able to attend the service at the earlier hour and thus the change was effected.

The Conference adjourned on motion.

Announcements were made and Rev. A. E. Martin pronounced the benediction.

THURSDAY EVENING

The evening service was devoted to an emphasis upon Church Extension and Evangelism with Rev. Charles L. Herr, Conference Secretary of Church Extension, presiding.

Rev. Guy Baer served as song leader and Mrs. A. E. Martin as pianist. Rev. Baer led the group in singing "Rescue the Perishing," "Standing on the Promises," "Showers of Blessing," and other numbers.

The presiding officer read the Scripture lesson as recorded in Matthew 9:27-38, and Rev. Charles A. E. Saufley led in prayer.

Special music was furnished by a Conference ministers quartet composed of Guy R. Baer, Paul B. Baker, Walter M. Burkholder, and Glen R. Perry.

The presentation of Sunday School for Missions awards was made by Rev. Walter M. Burkholder. A certificate of honor with a gold seal was presented to Franklintown. Awards of merit were presented to Trinity, and St. James. Awards of achievement were presented to Mt. Olivet, Va., Staunton, King Street, Jerusalem, Chapel, Mt. Pleasant, Idaville, Prince Street, Blue Rock, Waynesboro, and Salem.

Announcements were made and the offering, amounting to $40.84, was received.

Rev. L. D. Dellinger, General Secretary of Church Extension, was introduced by the chairman as the guest speaker. Rev. Dellinger, in his opening remarks, emphasized the fact that there is a great responsibility resting upon us in regards to the harvest fields. He made reference to John 4:35, which reads in part: "Lift up your eyes, and look on the fields; for they are white already to harvest."

He stated that there are many areas which had been open to the Church but are now closed. "Someone," he said, "has failed in his responsibility and will be answerable for the same."

The speaker related various instances, on the other hand, in which there has been a great response and in which real faith in God has been manifested. Individuals have accepted the challenge; have launched out in faith; and great results have been noted.

"May God help us to be faithful in this great work" was the prayer of the speaker in closing.

Following the message of the evening, the chairman requested special prayer for the Harvey Heller family. Mr. Heller, who was the delegate from the Heidlersburg Circuit to this Conference, and who had attended sessions through Wednesday, passed to his eternal reward Thursday. Rev. N. W. Brechbiel led in prayer.

Rev. Dellinger pronounced the benediction following the singing of the closing number, "Sound the Battle Cry."

FRIDAY MORNING

Conference was called into session at 8:30 A. M. by the Bishop. The roll was called with 30 ministers and 14 lay delegates answering to the call.

Rev. John H. Roland led the group in singing "There's Not a Friend Like the Lowly Jesus." Mrs. A. E. Martin served as pianist.

Rev. Walter M. Burkholder was in charge of the morning devotional service and brought the concluding message in the series on the first Psalm. He pointed out some of the characteristics of the man of God and noted that such a person is like a tree planted by the rivers of water; that his leaf withers not; and that which he does prospers, although this prosperity differs from that which the world considers prosperity. "There is a tremendous challenge," he said, "in this message by the Psalmist."

The minutes were read and approved.

The concluding report of the Thursday afternoon elections was announced. (Note list at beginning of booklet naming Conference Officers and Boards.)

By motion, the Conference Council was authorized to employ an attorney in the State of Virginia to ascertain whether our incorporation is valid in the State of Virginia and thus whether or not the election of a Virginia Board of Trustees is necessary. The Board, which has already been elected, has been elected conditionally and will serve only if deemed necessary.

The report of the Conference Board of Trustees (No. 21) was read by Earl J. Ensminger and, by motion, was adopted.

Earl J. Ensminger read also the report of the Committee on Auditing Finance (No. 22), which was adopted.

By motion, figures in this report in regards to Mr. Heller shall be printed in the Conference minutes.

Dr. Meadows reported that the Heidlersburg Circuit came into being by dividing the Franklintown Circuit in September of 1914. Brother Harvey Heller has represented this field on four different occasions. He served as the lay delegate in 1936, 1945, 1948, and 1960.

The following resolution was read by Dale E. Kline: "RESOLVED: That Leroy L. Perry, Lester M. Misner, J. Raymond Brant, Fred Mentzer and Earl J. BE IT FURTHER RESOLVED: That Pennsylvania Conference of the Church of the United Brethren in Christ, Inc., be and it is hereby authorized to join in the execution of the deed as aforesaid."

By motion, the resolution was adopted.

Rev. Kline read a second resolution as follows: "RESOLVED: That Leroy L. Perry, Lester M. Misner, J. Raymond Brant, Fred Mentzer, and Earl J. Ensminger, constituting the Conference Board of Trustees of the Pennsylvania Annual Conference, be and they are hereby authorized to create a Ground Rent of Sixty-six ($66.00) Dollars per year on 328 Arundel Road, Baltimore 25, Maryland, and that authority be given to them to seal the same, and to execute a deed therefore;

BE IT FURTHER RESOLVED: That Pennsylvania Conference of the Church of the United Brethren in Christ, Inc., be and it is hereby authorized to join in the execution of the deed as aforesaid."

The resolution was adopted.

By motion, the Board of Trustees shall provide for a seal to be used on official documents of the Pennsylvania Conference of the Church of the United Brethren in Christ and this seal shall be kept at the address of the corporation.

Paul B. Baker read his report as Secretary of Education (No. 24) and the report, by motion, was adopted.

Rev. Galen A. Colclesser, director of Public Relations for Huntington College, was presented to the Conference and spoke concerning our own Church College and concerning education in general. He noted that in the past eight years, there has been a ten per cent increase in enrollment at Huntington College per year. A 15% increase is anticipated this year.

Rev. Colclesser gave an interesting report concerning the spiritual life on the campus; concerning the faculty; the buildings; the amount of money contributed during recent years; and other matters.

The Conference recessed for 15 minutes.

The Conference reconvened and the Bishop presented Rev. Stanley Peters, Editor-in-chief of United Brethren publications, who spoke to the Conference concerning the printed page.

He told of the great strides which are being made in the scientific field but stated that the needs for the Gospel message are just as great or even greater than ever. He spoke concerning the various avenues through which we may communicate with one another, and pointed out that the printed page is one of these avenues.

He expressed appreciation for the response of the Pennsylvania Conference in regards to the use of literature being prepared and printed by the denomination and also in regards to the sending of news items and other materials for publication. He encouraged the Conference to use an even greater amount of our denominational literature.

The memorial service for Dr. C. A. Mummert was directed by Lester M. Misner with John H. Roland leading the singing and Mrs. A. E. Martin serving as pianist. Following the singing of "Rock of Ages"' by the audience, Paul B. Baker read various portions of Scripture, and the chairman of the service led in prayer. Rev. Roland sang "Face to Face," and Rev. Earl W. Shoap delivered the memorial meditation. "The Last Mile of the Way" was sung in closing and prayer was offered by Rev. Misner.

Conference was called into session and a motion prevailed that the next session of the Annual Conference be held at the Rhodes Grove Camp Grounds.

The following resolution was read by Arbe J. Dorsey: "Be it resolved that God in His wise providence has removed from our Conference Brother Harvey Heller, the official delegate from the Heidlersburg Circuit to the 172nd session of the Pennsylvania Annual Conference, we therefore submit to God's providence knowing that all things will work together for good to those that love God, to those who are the called according to His purpose. We therefore express our sympathy to his good wife and family in this time of their bereavement following the sudden death of their good father and husband; And that a copy of this resolutions be sent to the family."

The resolution, by motion, was adopted.

The minutes of the Friday morning sessions were read and approved.

A motion prevailed that the Conference adjourn to meet at the call of the chairman.

Announcements were made and prayer was offered by Rev. Misner.

FRIDAY EVENING

The closing service of the Conference was begun at 7:30 P. M. with Rev. Dale E. Kline, Conference superintendent of the North District, presiding. Dr. Meadows directed the congregation in singing several great hymns of the Church.

Rev. Arbe J. Dorsey offered the evening prayer and announcements were made by the presiding officer.

A service of recognition was then conducted for the retired ministers of the Pennsylvania Conference and for their good companions. Rev. and Mrs. N. W. Brechbiel, Rev. and Mrs. Earl W. Shoap, and Rev. and Mrs. Ira C. Weidner were recognized for their faithfulness in service for Christ and His Church over a long number of years. Dr. Meadows spoke concerning the number of years which they have given in the work of the Church and Bishop Carlson concluded this part of the service by speaking words of appreciation for services rendered.

Special music was furnished by the choir of the Otterbein United Brethren Church of Waynesboro.

Dr. Carlson was presented to the congregation as the Bishop of the East District of the Church of the United Brethren in Christ. He then presented the annual address with special emphasis on the thought of loving God and loving our fellow-men.

"Love God with all your self and love your neighbor as yourself because this is the whole of life," he stated in his introductory remarks. He continued by saying that if we love God, we will obey Him, and will truly keep His Word. "Then others," he said, "will begin to notice that something has happened to us."

"The believer has a passion for righteousness, but it does not stop here; it is a two-way proposition because in addition to this passion for righteousness, he has a passion for his brother's spiritual welfare."

"When we love God; when we love our fellow-men as ourselves; and when we have such a passion as this, there will be no time for envies; for jealousies; and for hatreds."

He closed his message by asking if we are rejoicing in the love of God and if we are serving Him. When this is true, he said, the love of God will flow out to others and people will come to know the Lord Jesus.

Following the address, the annual offering, which amounted to $315.63, was received.

The Conference was called into session and Mrs. Paul B. Baker reported that $21.05 had been collected for the Huntington College Auxiliary.

The report of the Stationing Committee was read by the Bishop.

Following prayer by Dr. Meadows, the Conference adjourned sine die.

THE BISHOP'S ANNUAL REPORT OF THE EAST DISTRICT OF THE CHURCH OF THE UNITED BRETHREN IN CHRIST

April 1, 1959 - March 31, 1960

Report No. 2

To the Members of the Pennsylvania Annual Conference:

The following statistical report covers the work of pastors and people within the bounds of the East District of the Church of the United Brethren in Christ. While I am not personally responsible for the figures tabulated, I cannot help feeling a personal involvement in the results. When the figures show a gain, I rejoice in that gain; when they show a loss, I feel distressed and disappointed. I am certain that we all share in those feelings, whether we be general officers, conference superintendents, pastors or laymen. It is **our** work. We stand or fall together.

CHURCHES AND MINISTERS. Within the eight Conferences composing the East District there are 204 societies and 168 preaching appointments. There are 89 Quarterly Conference preachers on the ministerial roll,

Fifty-two Annual Conference Licentiates and 168 Elders. Of the ministers who are members of the itineracy, 100 are on the active list, 19 on the inactive last and 15 are on a retired status. During the past conference year 6 ministers were ordained and 6 granted annual conference license to preach the gospel. Three ministers died.

CHURCH MEMBERSHIP. Adult membership on the district at the close of the conference year stood at 14,122, junior membership at 730, making a total of 14,852. A total of 321 was listed on the Watch Care roll.

While there were 1,765 conversions reported, only 643 were received into church membership on confession of faith. With 282 received by transfer and letter the total number received into membership was 925. However, there were 669 removed from the rolls through death, letter, and revision, leaving a net gain of 360 for the conference year.

There were 5,871 resident families reported. If we should figure subscribers to the UNITED BRETHREN on a family basis, 4,866 of these families were receiving our church magazine.

Average attendance for all services shows an increase over last year's report. The average attendance at the morning services was 12,062, which means that 85% of our people attend church on Sunday morning. The average attendance in the evening service was 6,849, and at the mid-week prayer meeting, 3,017.

PASTORAL WORK. Figures on pastoral work show only a slight variation from those of last year. Sermons preached 16,929. Visits to the sick 18,269; other pastoral visits 32,700. Individual homes visited 17,993. Total days of revival services 2,547. Now converts 1,124 and reclamations 641. Baptisms 635; infants dedicated 335; marriages solemnized 352.

LAY ACTIVITIES. There was an increase in the number of tithers reported and in the number of family altars. Tithers number 2,065. Sharing prayer lists with pastor, 662. Family altars 1,329; private altars 882. Lay visitors 1,547 and visits by laity 19,473.

CHRISTIAN EDUCATION. There was an increase in both the enrollment and average attendance in our Sunday Schools. The total enrollment in the 197 schools reported was 18,826 with an average attendance of 15,963. There was a slight decrease in the Christian Endeavor enrollment, the total reported being 3,897.

In the field of Leadership Training there were 27 First Series and 42 Second Series classes reported. There were 116 First Series and 193 Second Series credits issued.

Subscriptions to the "Christian Endeavor World" 174, a slight decrease from the previous year's report.

Students in Huntington College 52.

SUNDAY SCHOOL LITERATURE. It is interesting to note the variety of sources for Sunday School literature used on the district. The following is only a partial list: Standard Publishing Company, Union Gospel Press, American S. S. Union, David C. Cook, Gospel Press, Bethel Publishing Company, Herald Press, Scripture Press, Church Center Press.

MISSIONARY ORGANIZATIONS. Statistics reveal that there has been an increase of interest in our missionary organizations, inasmuch as the over-all average attendance increased by about 1,100, with no increase in membership. The following figures show the standing at the close of the conference year: Brotherhoods 40, with a membership of 947; W. M. A. societies 168 with a membership of 4,174; Y. P. M. B.'s 65 with a membership of 883; Junior Y. P. M. B. 1, with a membership of 8; Harvesters 80, with a membership of 1,368. The over-all average attendance was 4,532.

FINANCES. The grand total of all finances for the past conference year was somewhat less than that of the previous year. The total stands at

$1,460,309.81 as against $1,686,801.77 of a year ago. The leveling off in the building program accounts for the decrease. For the sake of comparison we shall list the giving for the two years:

	1958	1959
Total local budget	$1,405,981.36	$1,143,790.45
Conference budget	59,539.85	64,946.41
General finances	66,589.64	64,024.57
Specials for Gen. Int.	83,017.92	114,368.55
Missionary purposes, W. M. A.	62,179.53	65,584.81
Property valuation	5,552,755.00	6,550,140.00

ADMINISTRATION AND PERSONAL SERVICE. I feel deeply grateful to the Lord for His continued grace in bestowing the necessary health and strength to conduct all of my Annual Conferences and regular council sessions where I am designated as chairman. In addition to these meetings I have met with the various general boards and executive committees in their regular times of meeting and called sessions, and with such other boards and committees as have requested my presence.

Eight weeks were devoted to revival work at six different churches and another week was given to a leadership training class. Besides those meetings there were a number of week-end engagements. Number of sermons preached 164. I conducted 15 dedication services. Seven of these services were for new buildings.

In supervising the work on the district I travelled 20,618 miles at a cost of $1,304.66. Offerings received were $761.83, leaving a net travel cost of $542.83.

REMARKS. It is a deep conviction on my part that the future growth of our church depends largely upon our response to Christ's call to discipleship. For altogether too many years we have failed to develop our converts into disciples after the New Testament pattern. It would appear that the conversion of sinners has been considered the goal towards which we have directed our preaching and efforts. Throughout the year discipleship has been the burden of my preaching and unless the Lord lifts that burden, I expect to continue along that line. Discipleship is the answer to our hope for a revival and for an ingathering of souls. "Come ye after me," said Jesus, "and I will make you to become fishers of men." The Apostle Paul echoed that call, "Be ye followers of me, even as I also am of Christ." Conversion is not the end, but the beginning of a life yielded to Christ. The cure for strife and divisions within any congregation is a return to the life of discipleship, a willingness to follow Christ completely.

May the Lord hasten the day when the Church of the United Brethren in Christ is truly a people united in Christ.

Humbly submitted,
C. E. CARLSON

CONFERENCE SUPERINTENDENT'S REPORT

OF THE CENTRAL DISTRICT

Report No. 3

To Bishop Clarence E. Carlson, D.D., and members of the 172nd annual session of the Pennsylvania Conference Church of the United Brethren in Christ:

Christian Greetings in the name of our Lord and Master, Jesus Christ. We are living in a most significant time. We are definitely launched into the

age of atomic power and space exploration. Man has been able to conquer distance so that he now has man-made machines that are orbiting about the sun and those objects that have been put in orbit like the moon around the earth.

Many of these discoveries of science have the potential of destruction of all life from the face of the earth. It is my conviction that the world will either accept in the time that you and I live the ways of the Lord Jesus Christ, the ways of unselfishness, peace and good will, or we perish from the face of the earth. No one has been able to measure the force and possible consequences of the atomic and hydrogen bombs which are God-like in their power. Our task is tremendous, as we are at the crossroads of the world's history but "I am not ashamed of the Gospel of Christ, for it is of the power of God unto salvation to everyone that believe it." (Rom. 1:16). It has been my privilege to personally observe the power of Christ at work in the lives of people in Canada, in United States, and in Mexico. We face the future, not with fear, but with enthusiasm and hope because of our faith in God.

The Ministry

Jesus laid the major responsibility for the advancement of His Kingdom upon the ministry. He raised up twelve that they might be with Him, that He might send them forth to preach and to have power. At the end of three years' training under the Master's leadership He said, "As my Father hath sent me, even so send I you."

There is nothing more important to our Church than its ministers. Upon us, brethren, rests the responsibility of leadership under God that will determine the success of our Conference in soul saving spiritual and material advancement. This does not in any sense minimize the importance of the lay workers. Therefore, it behooves us to get adequate training. Nothing should stand in the way of attendance in school, college, and seminary. Our consecration to the Lord and His work should know no limits. We need to guard jealously our own spiritual condition that we may be filled with the Spirit and endowed with power from on High that we may be men of God and men of prayer.

Let me emphasize also once again that in the light of the above truth pastors need adequate support in salary for the present needs, protection through hospitalization and insurance as well as provision for retirement in the future. So that the pastor may give himself with abandon to the work of the ministry, the servant is worthy of his hire.

All pastors assigned to the fields of the Central District at the last Annual Conference accepted the assignments given and served faithfully through the year. We thank God for his providential care. We rejoice in the fruits of these pastors' labors. There has been a net gain of 45 in membership in the District. One hundred and fifty-nine have given their hearts to the Lord. The pastors preached 1,457 sermons, baptized 106 and made 7,775 visits during the year.

A Quarterly Conference License was granted to Kirby Nelson Keller, R. R. 2, Chambersburg, Pennsylvania, by the King Street United Brethren Church, in their regular Quarterly Conference Session, July 13, 1960. Brother Keller is a graduate of the Chambersburg Senior High School and expects to be in school at Huntington College in preparation for the Ministry this fall.

Statistics and Comparisons

The Senior Superintendent was asked by the Cabinet of Superintendents to make some statistical comparisons on a Conference-wide basis. In the entire Conference this year, we have had 347 commitments to Christ, which make a total in the last four years of 1,928. There have been 366 accessions to the Church, making our present total membership 6,638, which is a net increase of 111 over that of last year. In the Conference, the total local budget

last year was $312,032.52 and this year $403,953.67. The Conference Budget last year was $13,033.35 and this year $17,920.87. The General Fund, including the Patron's Fund for Huntington College, general specials, brotherhood and W. M. A. last year was $98,311.99 and this year $90,672.46. Of course, this year the Patron's Fund was greatly reduced in the amount of money required as required with the Victory Fund of Huntington College last year. The total for all purposes last year was $423,377.86 and this year $572,447.00, with the present total value of property amounting to $2,092,368.72.

Ministers' Conferences

Five Ministerial Conferences were held during the year for all pastors, annual Conference ministers, as well as Quarterly Conference ministers. The first and second meetings were tied together in a particular study of "Pastoral Counselling" and were held on October 6th at Mongul, and on October 20th at the King Street United Brethren Church. The 3rd meeting was held December 28, 1959, at the Otterbein United Brethren Church in Waynesboro. This gave opportunity for fellowship with our ministerial students from our Huntington College. The Mid-Year Conference Council was held at Orrstown, February 23 and 24. The 5th Ministerial Meeting was held on the opening of our Rhodes Grove Camp, July 19, 1960. These ministerial conferences are of great value, not only for their fellowship, but for the deep Christian experience that it brings to all those in attendance. It gives an opportunity to present new procedures and plans for the Conference that can be considered with open and frank discussion among all of the ministers.

Rev. Dr. Clarence A. Mummert was called to his heavenly reward during the year after a long and faithful ministry. His name will be referred to the Committee on Memoirs.

Church Homes

The Milton Wright Memorial Home, Inc., operates two institutions — the Milton Wright Home at Kauffman's Station and the Piney Mountain Home for the Aged near Fayetteville. The Milton Wright Home emphasizes the work with children and the Piney Mountain Home with elderly people. A proposal has been made by the Board of Directors of the Milton Wright Memorial Home, Inc., that the Conference assume a larger share of the responsibility of these Homes, by electing three-fifths of the Board of Directors rather than the present proportion of two-fifths. It has also been suggested by the superintendent, that we increase our contribution as a Conference to a support of these worthy institutions. Mr. Richard W. Reeves, general superintendent of the Homes, will present in a later session of this Conference, a complete report of these institutions.

Rhodes Grove Camp

The camp program this year was conducted during the period July 10-31, with the Junior and Youth Camp being held the first week and the Adult Camp the last two weeks.

There were 134 children and young people enrolled in the first week's activities in addition to approximately 35 workers. A very fine interest prevailed throughout the week and 30 members made decisions for Christ at the decision night service.

The Junior and Youth Camp workers indicate that interest in the program is continuing to increase and that real achievements are being noted. There was little, if any, illness this year and no serious accidents occurred for which the staff is quite thankful.

Rev. C. Ray Miller again served as the Camp Dean. Serving with him on the committee were Rev. Paul B. Baker, Rev. Clarence Cosey, Jr., and Rev. J. Raymond Brant.

The Adult Camp was considered as being most successful, with victories in many areas. The attendance was greater this year than in many previous years and the tabernacle was filled to capacity at the Sunday night services.

Rev. Alfred C. Price, of Blissfield, Michigan, thrilled the congregation with stirring messages throughout the Camp season. He was assisted in the services by W. Harry Forbes, music director, and the writer as platform manager. Mrs. Burnell Manchey served as organist, and Donetta Burkholder as pianist.

Rev. Webster C. Muck, Jr., presented a series of messages during the chapel period on "The Qualities of a Christian." He also led the morning study on the "Prophecy of Isaiah." Rev. George E. Weaver directed the afternoon class in the study of "Our Beliefs."

There were several decisions for Christ during the Adult Camp, with the climax being reached on the closing Sunday night when a great altar service was conducted. Twelve persons were baptised on the closing days of Camp with services being directed by Rev. Arbe J. Dorsey. Rev. Dale E. Kline conducted the Conference-wide Communion service on Sunday, July 31.

Co-operative Evangelistic Program

This year we tried again the co-operative plan of evangelistic services. A schedule was carefully worked out including practically all the churches and all the pastors in exchange program for evangelistic services during the month of January and February. Most of these programs were carried out and a very fine fellowship was enjoyed in this work. It was thought, however, in evaluating this program, that it would be better to have co-operative plan of evangelism not at a given season of the year but in exchange of pastors at the regular desired times of the various churches. This plan has been proposed on a voluntary basis for the next year.

Church and Parsonage Improvements

A considerable sum of money has been invested this year in new church and parsonage building as well as in improvements and payment of debts. The outstanding project in building in this District is the building of a new parsonage at the Otterbein United Brethren Church in Waynesboro that will cost approximately $30,000.00, besides payment of $40,000 on indebtedness.

The Ebenezer Church on the Macedonia Field, is planning to build a new parsonage, and has made improvements to church amounting to $400.00.

The Blue Rock Church has been working out very definite plans for a large addition to their present church in an effort to improve the educational facilities of the congregation.

Other significant items of church and parsonage improvement and capital investment are as follows:

—King Street Church — paid on debt $27,000, and made improvements to the extent of $12,685.00 in kitchen facilities, painting and carpet.
—Greencastle — parsonage improvement — $400.00.
—Salem — payment on debt — $8,400.00.
—St. James — payment on parsonage debt — $1,500.00.
—Criders—payment of debt — $1,300.00.
—Mt. Olivet — payment on debt — $2,050.00.

A Personal Word

It has been a source of real satisfaction to work with my colleagues, Rev. Arbe J. Dorsey and Rev. Dale E. Kline, in this year. We have met many problems, but have always been unanimous in our purposes and final decisions that had to be made with regard to the work of the Conference. We have spent many, many hours together, praying, planning, and thinking our way through the various problems and opportunities before our Conference. The pastors have been most cooperative and have held, according to the plan of the Conference, most of second and fourth rounds of Quarterly meetings.

I held 18 Quarterly Conferences, spoke for many conventions, rallies, programs, shared in the International Convocation on Christian Citizenship

of Christian Endeavor at Ottawa, Canada, and the World Area Conference of Christian Endeavor in Mexico City. Incidentally, I traveled over forty thousand miles in performing the duties of the president of the International Society of Christian Endeavor; and served as bishop pro tem under the direction of the Mission Board for the Jamaica Annual Conference, March 3 to 7, which was the 10th Annual Session of this Conference in that Mission Field. They have a membership of over 1100 and 23 churches which are served by 17 full time pastors.

CONFERENCE SUPERINTENDENT'S REPORT

OF THE NORTH DISTRICT

Report No. 4

To Bishop Clarence E. Carlson, D.D., members and friends of the One Hundred Seventy-second Session of the Pennsylvania Conference, Church of the United Brethren in Christ.

"Grace be unto you, and peace, from God our Father, and the Lord Jesus Christ. We give thanks to God always for you all, making mention of you in our prayers; Remembering without ceasing your work of faith, and labor of love, and patience of hope in our Lord Jesus Christ, in the sight of God and our Father; Knowing brethren beloved, your election of God. For our Gospel came not unto you in word only, but also in power, and in the Holy Ghost, and in much assurance." (I Thessalonians 1:1b, to 5a).

From the very depth of my heart I wish to thank our Heavenly Father for His manifold blessings that He has bestowed upon us through another year. It is indeed with gratitude to our loving Saviour for His kindness and tender mercy, and to the ministry and laity for their splendid cooperation and assistance in the tasks that were before us.

The North District is composed of one three-point circuit, three two-point circuits and six stations, all of which were supplied with pastors by the Annual Conference.

THE MINISTRY: The Christian ministry is a high and holy calling. God has called men, that He might send them forth to preach His Gospel. Therefore, the work of the ministry should be held very sacred.

Our Ministers have been faithful in the discharge of their duties, laboring earnestly for the interests of God's kingdom and the salvation of souls. May the Lord help us all to give our best to this God-given task.

All ministers assigned to a field of labor on the North District by the Stationing Committee last Conference accepted their assignment and faithfully served throughout the year, with good success. The work on the District is progressing nicely, all fields have a full budget to report to this Conference, except for one field, and several fields did not meet the Patrons Fund, for Huntington College, in full. The most of the fields will show substantial gains in membership and average attendance. God has been blessing in a wonderful way, to whom we give all the praise and honor.

Ronald L. Cook, at the second Quarterly Conference, Mt. Pleasant, was was granted a Quarterly Conference license to preach, February 27, 1960.

There is one recommendation to the Annual Conference for license to preach the Gospel. Therefore, Mr. Chairman, I submit the followinig recommendation: "To the Pennsylvania Annual Conference in Session, August 23-26, 1960. The members of the Orrstown United Brethren Society, in the Fourth Quarterly Conference Session recommended Harold Myers, Jr., to this Pennsylvania Conference as a candidate for license to preach the Gospel of Christ.

CHURCH PROPERTY: There has been a great deal of activity in the way of building and improvement on the North District this year.

COLD SPRINGS built a new parsonage with two bedrooms, living room, utility room, kitchen and bath, all on one floor, with a full basement, with a furnace room and fruit cellar, also a large social room on the one side for use by the church. This building is of brick construction with garage attached. They have paid $1000 so far. The total cost will be approximately $15,000.

They built to the church an office, utility and rest rooms at a cost of $3,598.00.

FRANKLINTOWN: $890.00 for new acoustical tile on ceiling of the church, and $35.00 for tile on the wall around the bath tub in the parsonage.

HEIDLERSBURG: Have $4,235.11 in building fund and have plans for the building of a new church.

IDAVILLE: Have $1,859.79 in the building fund and plan to move the church to another location and build an addition to the church.

MT. OLIVET: Paid $315.13 for new carpet, canopy over the front door of the church, refinishing the floor.

MAINSVILLE: New carpet, painting, and repairs to the church to the amount of $816.58. Finished paying off the mortgage on the parsonage to the amount of $1,302.08.

MONGUL: Church improvements, black-top on the drive at the church, a light placed at the road in front of the church, at a cost of $537.00. Paid on their building debt $5,938.85.

LURGAN: Grading and putting stone on the parking lot, window stripping and paint for the windows in the church and tile on the basement floor at a cost of $867.46.

MT. VERNON: New window shades at a cost of $27.50.

ORRSTOWN: Bought 150 by 184 feet of land to the back of the church and parsonage for $225.00. Put tile on basement floor, widened the parking lot and painted guide line for parking for $1,238.44.

Tore down the old parsonage and are erecting a new story and a half brick building with garage in the basement, two bed rooms, bath, and living area on the first floor; two bed rooms, shower and lavatory on second floor. The approximate cost is $15,000.00. They have $5,223.00 in the building fund.

SHIPPENSBURG: Is in the process of building the sanctuary to the present Christian Education unit at an approximate cost of $225,000. They have spent $40,194.18 so far on this project. The cornerstone laying service will be Sunday, September 4, at 2:30 P. M.

STRINESTOWN: $50.00 for chairs in the church. They have $1,515.66 in their building fund.

MT. WASHINGTON: Is in the process of building the sanctuary on top of the basement which was constructed a few years ago and expect to have it ready for use by the middle of November.

MT. PLEASANT: Have a building fund of $11,571.27, and are planning to build an addition to the present church or build a new one.

CONFERENCE ACTIVITIES: In my official capacity I have tried to do my best. I have endeavored to answer each call of the church. I may have failed in many ways, but it has been my earnest desire to serve the church to the best of my ability.

I have been able to conduct all the Quarterly Conferences during the year, for which I want to give all praise and thanks to my precious Lord and Master for his watchful care and tender mercy.

I have conducted 29 Quarterly Conferences and one special session.

The Cold Springs Church is to be commended for their action in regards to the appropriation of $1,000 made by the Annual Conference in order to make a full-time pastorate. Due to the pastor receiving social security bene-

fits, the church has accepted only half of the appropriation, thus allowing half of the amount to be turned back into the Conference Mission fund.

Sunday morning, October 25, 1959, at Mt. Olivet, on the Heidlersburg Circuit, spoke at their Rally Day services and conducted a service of dedication for an altar rail placed in the church, and other work done at the church.

I spent the week-end of March 27, 1960, at Staunton, Virginia, with Rev. Carl V. Hinkle, pastor of the 5th Street U. B. Church, Staunton, on the South District, with the consent of the Superintendent of the District. I spoke in the morning service and participated in the dedication ceremonies in the afternoon.

May 8, 1960, at 2:30 P. M., I spoke at the service and dedicated the Sunshine Sunday School building in Shippensburg, which was purchased for the use of the Sunday School.

OTHER ACTIVITIES: January 5, 6 and 7, attended the joint sessions of the General Mission Boards in Huntington, Indiana, and also on June 8 and 9, 1960, in Greencastle.

General Board of Administration meeting, June 9, 10, and 11, 1960, at Rhodes Grove Camp Ground. Also the General Missionary convention at the same place.

A PERSONAL WORD: It has been a most blessed experience to work with my brethren in the ministry and the laity through another year. You have been, one and all, most gracious and kind. I cannot thank you and our heavenly Father enough for the good spirit of fellowship and cooperation which we have enjoyed. May the blessed Holy Spirit continue to bind our hearts together in love; for if we are united what can stand against us? May we all be challenged to give our best to the Master and the work of His kingdom. The possibilities for us as a Conference has not been greater for a long time and I am glad to say, I feel our Pastors and people are attempting to go forward. May God hasten the day when ministers and laymen will move out with faith to accomplish the task that is before us.

I am greatly indebted to Dr. Clyde W. Meadows and Rev. Arbe J. Dorsey for their kind consideration and fine spirit of cooperation in working and planning together in superinteding the work of the Conference. I have appreciated their counsel and guidance more than words can express.

Again, I wish to express my deepest appreciation and thanks for all your kindness and cooperation during the year.

And now may the God of peace who brought again from the dead our Lord Jesus, the great shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do His will, working in you that which is well-pleasing in his sight, through Jesus Christ our Lord.

Respectfully submitted,

DALE E. KLINE

CONFERENCE SUPERINTENDENT'S REPORT

OF THE SOUTH DISTRICT

Report No. 5

To Bishop C. E. Carlson, D.D., friends and members of the 172nd session of Pennsylvania Annual Conference now assembled at Rhodes Grove Camp Ground, Chambersburg, Pennsylvania, R. R. 6. We greet you in that altogether lovely name of Jesus.

The work seems to becoming heavier each year. The problems appear more perplexing. Yet our God is able to give us sustaining grace and wisdom

for all that confronts us. I can do all things through Christ which gives me strength, wrote Paul. We must find this to be our own personal testimony today. We are placed in a world which is locked in many conflicts. There are differences between races, governments, political ideology. Even we here in the land of a free and the home of the brave are face to face with a foreign power seeking to wrest control of the highest and most influential office in the world. This is being done under the disguise of religious freedom. We need to be aware of this fact, the devil can transform himself as an angel of light. This challenge of the world calls for brave men with bold action, men called of God to win the world for Christ and the Church.

The Ministry

This Church has believed in a God called ministry. This, I believe, to be proper and right. There is this danger lurking in such a call. God calls, but does He call all to be preachers? It is one thing to hear God's call, but an entirely different thing to find our place in God's moral vineyard. For not all have the same calling. This short statement is made at this time for I feel it is pertinent.

All of the pastors assigned to fields of labor on the South District accepted their places, except Brother F. G. Mentzer, who was assigned to Mt. Tabor. Brother Thomas Mellott was then appointed to serve the work.

Some points of interest in the family life of the pastors of the district: Carl V. Hinkle, Jr., won a scholarship to Virginia Military Institute at Lexington, Virginia. V. M. I. is sometimes called the "The West Point" of the South. Also the young lad served in a youth work camp in the 50th state, Hawaii, under auspices of the United Christian Youth Council this summer. Both of these achievements are worth noting. A daughter named Ruth Annette, was born to Rev. and Mrs. Guy Baer on February 13, 1960, at Waynesboro Hospital. Also a son was born to Rev. and Mrs. Eldon Griffin in January, 1960, at King's Daughter Hospital, Staunton, Va. The name of their little one is Darrel Griffin.

There were no deaths among the ministers of the South District or in their immediate families this past year.

Physical Property

Rohrersville. Has under construction an addition to the Church. This addition is in the rear of present building and will be used as a multi-purpose room. The estimate cost is $12,000. It is of concrete block construction.

Trinity Church has improved the parsonage by remodeling living room at a cost of $809.40. And also improvements to the Church consisting of tile floor and accordion doors in basement at a cost of $1,000.

Staunton Church. The newest church extension project in the Conference has built a combination parsonage - chapel at a cost of $21,455.00. This building is frame structure with brick veneering. It is a six-room house with bath, all on first floor, with a full basement that contains a chapel which seats about 50 people, a pastor's study, and a combination furnace - laundry room.

Hagerstown has redecorated the exterior of parsonage and interior of the Church at a cost of $160.11.

Brooklyn Park Church has purchased another parsonage as was reported in the process in last year's Superintendent's report. The parsonage is located diagonally across from the corner of the Church. It is a 6-room house with bath. A fine basement that is improved with two rooms. A beautiful yard and garden with a garage. This house was purchased at a cost of $15,000. The old parsonage was sold for $9,600.00.

Mt. Olivet has extensively improved the parsonage on the outside and inside. A large porch was taken away and the house was shingled with white asbestos shingles; a large picture window was installed on the west side of house facing the Church. A new furnace was installed and the foundation walls were reinforced. A roof was put on the Educational unit, all at cost of $3,000.

Pleasant Hill Church is planning to buy new Church furniture for the Church sanctuary and put in hardwood flooring. The estimated cost is $3,000.

Bowley's Lane Church received as a gift a tone cabinet for organ at a cost of $475.00, and a brass communion set at a cost of $100.00.

Mt. Tabor Church redecorated the interior of the Church. New chairs and tables were purchased at cost of $46.81.

Jerusalem Chapel Church remodeled second floor of the educational unit and floor covering, repairs to roof, and combination storm windows and redecoration of Church sanctuary at cost of $3,000.

Work of District

In this past year I attended and held 32 Quarterly Conferences. I want to express my gratefulness at this time to Rev. Charles Barnhart for holding the first Quarterly at Mt. Tabor on November 6, 1959.

I have attended 20 other meetings in the year pertaining to Conference activities, such meetings as Conference Superintendent; Conference Council; Evangelistic services, Sunday School conventions, and so forth.

This brings to a total of about one meeting per week in relation to Conference activities .

On August 7th, 1960, at 2:00 P. M., I had the privilege to attend and participate in the Cornerstone Laying of the Mt. Washington Church.

I am deeply grateful to our Blessed Lord, who has sustained me this year with His wonderful grace, and has granted me good health to carry out the duties of the Church. Also I want to express my thanks to all my brethren of the Church for your helpful assistance, your deep understanding, and prayers. More especially I want to thank Brother Meadows and Brother Kline for their help and assistance this past year. Thank you all for your help and prayers.

Recommendations

1. As soon as possible after the adjournment of this Annual Conference, a Seminar on finances be held with all pastors and Finance Committee members present.
2. A committee be set up by this Conference to make a thorough study of our Church Extension program, and report its findings to the Mid-Year Council.
3. That all Quarterly Conferences re-examine all of its Quarterly Conference ministers who have not pursued the prescribed course of study either in permanent study or studies leading to Annual Conference License.
4. A committee be appointed to prepare for the 175th session, which is three years hence, of the Pennsylvania Annual Conference.
5. That Conference Council be authorized to promote a relief and rehabilitation program through the Church World Service in which the entire Conference will participate.

Respectfully submitted,

ARBE J. DORSEY

CHURCH HOMES

Report No. 6

Bishop Carlson, members, delegates and friends of this the One Hundred and Seventy-second Annual of Pennsylvania Conference of the United Brethren in Christ, greetings in the name of our Saviour, Jesus Christ.

It has been just one year since the decision was made by your Board of Directors to place the Homes under one superintendent. In that time many prayers have been answered in care for the folks of the Homes. It is very much evident that you have been praying for us.

MILTON WRIGHT MEMORIAL HOME

Residents.

The children's population has been steadily decreasing this past year. At present there are 23 children. Of this amount 21 are wards of the County of Franklin, one from nearby Adams County and one on individual contract. For the county children the Home receives a remuneration of $2.46 per day per child.

Reasons for the decrease in children's population are: Ability of families to stay together on Social Security and Public Assistance. The child care program has made it possible for more children to be placed in foster homes, which is more economical than an institution.

Many homes such as this have turned their attention to the training of emotionally disturbed children. Three suggestions have been made to aleviate this same situation this home is now facing. 1. Combining with another home to increase our children population. 2. Turning our attention to another phase of child care program such as the one mentioned above, or become a home to receive children coming out of state training schools for a period of gradual rehabilitation to home life. 3. Still another suggestion is the reopening of this home as an aging residents home exclusively.

A staff of nine workers are employed in this home, with Mrs. Reeves as matron. Four of the workers are house parents, four are domestic help and a farmer. Much of the work is done by the children as training under their supervision. The boys do most of the farm work under the supervision of the farmer. One of the four domestic help has the care of the five aging guests which have remained here.

Physical Plant.

Continual improvments to this part of the home have been done throughout the year. A budgeted plan of repainting is being done at the present time on the farm buildings. The Ladies' Auxiliary have continued to refurnish and remodel various rooms in the home. The boys' playroom received a new ceiling of accoustical tile and the sides were covered with hardboard, to replace the uneven sand plaster. On the third floor new linoleum was laid to replace one well worn. A Sunday School class of King St. Church financed the removal of the partition between the living room and teen-age dining room to form a good-sized room for chapel services and use as a social room. Folding curtains were then placed there to separate the two rooms. A much needed milk dispenser has just recently been donated to the home by the Underprivileged Children's Fund of Zembo Mosque.

An abundance of rain this year has produced a good crop of grains for livestock feed. With a program of using as much home grains for livestock feed and having it ground with concentrate a considerable decrease in cost has been noted. The dairy herd will very soon fill the barn to capacity. Fifteen gallons of milk are consumed daily by both homes. All bull calves are kept for meat for both homes. It requires about nine steers a year. The surplus milk is sold to a local dairy to help defray operating expenses.

The truck garden has produced 500 pounds of corn, 300 pounds of green beans, 100 pounds of spinach, all of which have been prepared and frozen. A bumper potato crop is expected as about 25% of the crop has been raised thus far, producing 175 bushels. Much fresh cabbage, peppers, onions, radishes and corn on the cob have greatly helped to reduce food costs too.

The laying flock is producing about 50% of capacity since part of them have just recently been replaced. Normally about 60 dozen of eggs are produced daily.

PINEY MOUNTAIN HOME

Residents

At present 44 senior citizens are enjoying the benefits of this nature's air-conditioned home. Of this number seven are men, a figure well above

the national average in homes for the aging. Ten of the residents are members of this conference. Fourteen are members of the Lutheran Church and the remaining amount are members of other denominations. A very remarkable record of health can be seen in the guests of the home. The home has been operating to capacity, contrary to the belief of some that a home must be located in the center of town. If the present rate of expansion to the suburbs keeps up this home will soon be in the center of a lively community.

During the past year seven residents have passed to their eternal reward. Seven new residents have come to replace them. The oldest resident is 95 years young, while the average age is well over eighty-six. Many of the guests are able to go to homes of relatives to visit for a few days at a time.

Physical Plant

Suggestions made by the Department of Welfare are now being done. Construction of a concrete ramp from the second floor to the ground to replace a hazardous fire escape is about ninety per cent completed. A six-bed infirmary is also being constructed to care for those who become bedfast. This will require a separate staff of nurses. A delay in the opening of this unit has been effected to more carefully study the problems of operation related to this unit. Much equipment has been subscribed by the Ladies' Auxiliary and a number of Sunday School and missionary organizations.

Heavy snow this winter caused the roof of the reservoir to give way, making it necessary to replace it. The sewer line became clogged with roots and was replaced by one designed to resist this invasion. Family size tables were constructed to be used in the dininig room in place of the small ones which did not leave room for eating family style.

Thirteen employees are needed to provide twenty-four-hour service to the residents in this home. Two floor ladies on the day shift, one on evening shift and one from midnight till morning. A kitchen staff of four do all services in that section of the home. The resident matron is Mrs. Leila Daugherty, who came to the home soon after its opening, first as a cook and later as a night attendant. A registered practical nurse was recently secured for one of the day shifts. She has greatly helped in giving this home a remarkable health record.

BOTH HOMES

The continued needs of both homes is to be able to maintain a staff of workers experienced in the operations. If there is one way that many lay people of our churches could work in Christian service this should be considered a good one. Volunteer workers coming into the home for a few hours of the day could help to decrease the size of staff needed. Staff costs are about one-third of the operating expense today.

Finances have been a major problem too. Bequests to the homes have been very few. The need of an endowment fund to continually be able to provide for those financially unable to pay and continued replacement of buildings and equipment is noted.

The services of the chaplains of both homes are much appreciated. Rev. Ray Hawbaker, at Milton Wright, and Rev. Perry, at Piney Mt. To the Board of Directors, your untiring patience and guidance have helped to make the homes a much better place for all. Their services as board members is done on a volunteer basis with no remuneration for the many hours of meetings many have attended. To those within hearing and who will later be able to read this report, we urgently request your sincere interest in the homes in prayer.

Respectfully submitted,

RICHARD W. REEVES,
General Superintendent

During the year, Mrs. Ida Burkett and Mrs. Annie Barnes have been receiving regular aid from both the Conference and the General Preachers' Aid.

There have been no other applications for aid from either the Conference P.B.A. or the General Preachers' Aid during the past year.

REPORT OF THE SECRETARY OF BIOGRAPHY

Report No. 8

Bishop Carlson and Members of the Annual Conference:

Another year is history in the Pennsylvania Conference. Listening to the Annual reports of the Conference Superintendents of the progress and improvements on some of the Fields, tells a clearer story of your activities. Some of you have not reported at all, some at least ten (10) years since any additions have been given for the record, some have reports up to date. If I were to say, "not much has happened lately," this would not agree with the Superintendents' reports.

Since last year I have received reports from six (6) pastors who had not previously reported, Rev. Clarence Cosey, Jr., Rev. Galen A. Colclesser, Rev. Laban G. Hawbaker, Rev. Calvin Mentzer, Jr., Rev. Earl D. Peters, and Daniel P. Rosenberger. I have taken the Conference minutes and inserted information to all reports, concerning your election to Conference positions, to the best of my knowledge, but I realize each of you have had interesting experiences since you have reported to the Secretary of Biography.

There are still fourteen (14) ministers on the roll from whom I have not had any report. Seven of these are young men at Huntington or are in preparation for the ministry.

I will be glad to record any information that you will give to me.

Respectfully submitted,

RALPH L. ANKERBRAND,
Secretary of Biography

REPORT OF THE COMMITTEE ON AUDITING PASTOR'S REPORTS AND PASS BOOKS

Report No. 10

We, your Committee on Auditing Pastors' Reports and Pass Books, submit the following:

All annual reports and pass books submitted to the committee were examined and checked as to completeness and accuracy. Very few errors were discovered.

All requirements of Discipline appear to have been met in the matter of reading sections of discipline as required, reorganization of classes and the revision of the Pass Books.

We recommend that all Annual Conference Ministers serving Pastorates and Assistant Pastorates in Pennsylvania Conference be passed morally and

officially and the work of the Quarterly Conference ministers be approved.

We further recommend that the work of the Auditing Committee be considered sufficiently complete so as to eliminate an examination of ministers' characters and pastors' report on the conference floor.

REPORT OF THE SECRETARY OF CHRISTIAN EDUCATION

Report No. 11

The Board of Christian Education of the Pennsylvania Conference has been promoting the various emphases of the denomination and of Christian Education in general. In so doing, various conventions, rallies, and training courses have been conducted and several general mailings have been made.

The annual convention was held September 26, 1959, at Rohrersville, Maryland, with Rev. Charles G. Barnhart, a member of the Board, serving as host pastor. Rev. Norman L. Russell and Rev. Ray Zimmerman addressed the convention, and a number of the pastors served as workshop leaders and participated in various ways. More than 125 persons attended the sessions.

A Coaching Conference was held for the second consecutive year with Dr. Clyde W. Meadows directing the study on "Pastoral Counseling." The Conference was held October 6 at the Mongul Church and October 20 at the King Street Church with the Conference Ministers being well represented on both days.

The State Sunday School Convention, which was held October 21-23, at Williamsport, was attended by several of our pastors and also by a number of our laymen.

Christian Endeavor week was observed January 31-February 7, with banquets, special programs, and informal gatherings.

The Conference has again been divided into four districts or zones with leaders in each. Attention is called to the north-east zone, which has continued quarterly meetings during the past few years under the direction of James Shaffer and Charles Sunday. Outstanding programs have been planned and conducted and a good interest has been manifested.

The Board this year purchased another set of filmstrips with records and has made the same available to any interested program or group. The set is entitled "Teaching the Bible," and deals with the various age groups beginning with the pre-school child and continuing through the adult level.

A look at the statistical report for the year indicates that there were 38 Sunday Schools in the Conference with an enrollment of 8,465 and an average attendance of 5,858. This marks a gain of 135 in enrollment and a gain of 108 in average attendance over last year.

There were 55 Christian Endeavor societies reported with a total membership of 1,257, a loss of 67, and an average attendance of 893. There were 19 denominational Vacation Bible Schools and 6 community Schools held.

The report indicates that there were 278 credits issued by local or community leadership training schools.

Plans for the future include the annual Christian Education Convention which is scheduled for Saturday, September 24, at the Franklintown United Brethren Church, and a Sunday School and Worship attendance campaign to be held for a period of six consecutive Sundays, October 2-November 6, 1960. The latter will be held in conjunction with a campaign

being promoted by our General Department of Christian Education.

We express our appreciation to the members of the Board for their excellent cooperation and for their helpful suggestions.

It was our privilege to serve again this year as the dean of the Junior-Youth Camp and as the director of Audio-Visual Education for the General Department of Christian Education of the denomination. It was our privilege also to attend the annual meeting of the General Board which convened in Huntington during the latter part of April, 1960.

Respectfully submitted,

C. RAY MILLER

REPORT OF SECRETARY OF LITERATURE

Report No. 16

As your Secretary of Publications, I submit the following: There are 2658 resident families in the Conference, but only 1832 subscriptions to "The United Brethren." Last year there were 2655 resident families, and 1934 "United Brethren" subscriptions. This shows an increase of 3 in resident families, but a decrease of 102 in "United Brethren" subscriptions. Could

these facts help us to determine part of the reason for the financial difficulties which are now being faced by this department?

Pastor's reports show that of our 38 Sunday Schools, 17 use United Brethren literature, exclusively; 6 use practically all United Brethren literature; and 15 — for some reason — have not yet realized that the Sunday School literature which our denomination has adopted, and that which we write and edit, is the most valuable, and the most effective, for our United Brethren churches. I urge each pastor and each delegate to encourage their Sunday School Executive Committee to adopt our complete line of Sunday School literature, in every school which does not demand **closely** graded materials.

I repeat the suggestions contained in the report of your Secretary of Publications to last year's session of the Conference — (1. Make an effort to use our own complete line of Sunday School literature. (2. Whenever purchasing new hymnals, get **United Brethren Hymnals.** (3. Whenever practical, purchase your church supplies from our Publishing House and Book Store. (4. Remember in prayer, the editorial staff, the sales staff, and the printing staff of our United Brethren Publishing Establishment.

Respectfully submitted,

EARL D. PETERS

REPORT OF CONFERENCE SECRETARY OF MISSIONS

Report No. 17

Psalm two begins, "Why do the heathen rage and the people imagine a vain thing? The kings of the earth set themselves, and the rulers take counsel together, against the Lord, and against his anointed, saying, 'Let us break their bands asunder, and cast away their cords from us'." Thus we are led to ask, "Are present world activities and changes in governments a fulfillment of these words?" If it is so, and we are inclined to fears and anxieties, let us take note of the words in the succeeding verses: "He that sitteth in the heavens shall laugh: the Lord shall have them in derision." This gives us reassurance and hope that God will not only continue his plan of redemption, and bring about a solution to a world in conflict, but that he has established and ordained that "His kingdom is an everlasting kingdom, and his dominion is from generation to generation." (Dan. 4.3)

While world conditions alone should not prompt our missionary efforts, it was William Carey, while still at his cobbler's bench that he compiled extensive statistics of the world and its people to present to his ministerial colleagues that gave impetus to the launching of the first Baptist Missionary Society. Missions is the mission of the church to spread the gospel, win souls to Christ and thus influence the drift of world conditions.

Dr. Conrad Bergendoff of Augustana College, recently noted that "Christianity may be only a 'tolerated minority' in another fifty years. Professor George Vicedom, a West German missions leader, commented that "Christianity will lose the race among world religions unless it fulfills its missionary task more completely than it is doing. That (while) Christianity is benefitting from religous revival in some parts of the world, elsewhere that Hinduism, Buddhism and Islamism are advancing at a more rapid pace than Christianity." Another aspect is stated by Dr. Henry P. Van Dusen: "Religion may be making gains in the United States, but all the while 'morality is losing ground'." And Dr. John L. Benken, president of Lutheran Church, Missouri Synod, expresses concern in the "fear of the possibility of a "watered-down national religion,' by the plans of a number of denominations to merge." Another quoting him, said, "He urges mergers to be based on a solid foundation of uncorrupted doctrine," (i. e.) not to compromise present standards and positions).

But no one needs to be told of the sinister elements confronting true Christianity; they exist not only behind forbidden "curtains," but around us on every hand. A serious contemplation of these evil forces constrains us to believe that only a like serious effort to spread the glorious Light and compassionate Love of God to dispel the darkness and enmity of men's hearts and minds must be in evidence. And those living in the sunshine and gladness of God's righteousness are a blessed people, and being thus blessed we are in turn to be a blessing to others. Carey, and others of his day did not debate or hesitate long as to their obligation to the heathen. That was in the latter part of the eighteenth century when Rev. William Otterbein was preaching to the newly independent colonies of America. People were not only seeking religious liberty for themselves but were desirous that others may know and worship God aright. And the great commission has never been revoked. So we need to be motivated by the challenge of Carey, "Expect great things of God," and "attempt great things for God." Great things have been done in the one hundred and sixty-odd years since Carey went to India, and as the example of the five young men who willingly sacrificed their lives in the attempt to open the Auca tribe in South America demonstrates. Such courage and devotion is still needed to carry forward the work of missions. And we need also "holders of the ropes" back home. Spontaneous zeal, unless backed by a well planned and adequate program, as demonstrated in the life and work of William Carey would have little lasting effect.

But the Conference shows up well in support of missions for the past year in all missionary offerings, even above last year, for which we are thankful. And a considerable amount was contributed to church extension through club memberships. Missionary interest has been maintained by not only Conference conventions that were well attended, but by entertaining the Missionary Board conventios at Rhodes Grove in the month of June. The Macys, recently returned from Honduras, visited several of our churches and spoke at the Y. P. M. B. Rally. A new recruit to the African mission field in the person of Miss Marilyn Saufley, registered nurse and midwife, sailed and arrived at the Mattru Hospital in July. So the work goes on, and on.

Here are a few lines, attributed to Mr. Louis Pasternak, the Russian writer, that expresses the longings of oppressed peoples:

"I am lost like a beast in an enclosure
Somewhere are people, freedom and light,
Behind me is the noise of pursuit
And there is no way out.

\- - - - - - - - -

But in any case I am near my grave
And believe the time will come
When the spirit of good
Will conquer wickedness and infamy."

We need to remember and keep in mind the words of Jesus to Peter, "Feed my sheep"; and those to the disciples, "Give ye them to eat."

C. A. E. SAUFLEY,
Secretary of Missions

COMMITTEE ON MORAL REFORM

Report No. 19

The Committee on Moral Reform submits the following:

1. That we recognize Almighty God as the guide for the world, and that to Him all people owe allegiance and obedience, and that He is the supreme and final Judge of the world, both morally and spiritually.
2. That we recognize and willingly respond to all His testimonies, statutes, laws and commandments as obligatory upon all His moral creation.
3. That we be expressly concerned about the proper observance of the Lord's Day, or any other day, and that we express our disapproval of all forms of entertainment that work in conflict to man's highest spiritual welfare, righteousness, and worship of Almighty God.
4. That we commend all in government, civic and religious circles who are promoting high moral standards; and that we cooperate with all such agencies to promote sobriety, tolerance and good will among men.
5. That while moral principles and practices should be observed, we bear in mind that there is a holiness of life to be attained, without which no man shall see God.
6. Romans 10:12: "For there is no difference between the Jew and the Greek; for the same Lord over all is rich unto all who call upon Him." Therefore, we as a church, do favor equal rights and privileges for all mankind.
7. We urge our ministers and people to become aware of the subversive organizations operating within our nation, which are trying to destroy our democracy and freedom, and to refrain from membership in such organizations, and to become competent to advise others properly. For information, write to the Bureau of Documents, Washington, D. C.
8. We recommend that our ministers cooperate with the Pennsylvania Temperance League in the matter of informing our people as to the importance of total abstinence.
9. We recommend that the parents of our church become enlightened as to the type of literature their children read, and substitute good Chris-

tian literature for their reading, instead of the cheap novel type on the newsstand.

REPORT OF THE COMMITTEE ON AUDITING FINANCE

Report No. 22

Your Committee to Audit Finance has carefully examined the books of the Treasurer of the Pennsylvania Conference, Harold C. Shuck, and certify the following statements:

On every point we examined we found that it equated with the recorded data. The records show systematic statistically correct bookkeeping, making the work of auditing an easy task.

We can highly recommend our Treasurer's system of bookkeeping to any of our General Church Departments for clear efficient recording.

REPORT OF SECRETARY OF EDUCATION

Report No. 24

It is tremendously important that each of us give much attention to Huntington College, a real and worthy arm of our United Brethren in Christ Church. Our college presents a dual opportunity to us. First, there is the challenge of the opportunity for our young people to receive training and education for life's work in their own Christian college. Secondly, through the college, our church and its related denominational services can receive an ever increasing supply of leaders and workers to supply the present age and the future years. Therefore, we urge our people to support the college with prayer, through witnessing and encouragement in behalf of the college, and in a definite finacial way.

About 60% of the graduates of Huntington College enter the field of public school teaching. This is an excellent investment of life for the Christian college graduate. The public school is a real harvest field where the teacher meets many youths who may know little or nothinig about Christ and His Church. In a sense, the public school room is a great American mission field.

The next highest percentage of students are preparing themselves for full-time Christian service, to serve either at home or abroad. During the school year 1959-60, fifty-eight young men were enrolled or committed to the course of study leading them into some full-time work for the Lord. This certainly calls for rejoicing.

The prospective enrollment for the coming school year is encouraging. For the 1959-60 college year, 325 were enrolled in the Fall semester and 296 in the Spring semester. Forty-five were enrolled in the Correspondence course and 32 persons attended evening classes. Pennsylvania Conference had 14 students enrolled in Huntington College during the past year.

The addition to Milton Wright Hall, the men's dormitory, was completed last October, making many more dormitory rooms available. The Loew Alumni Library has been in use for more than a year and has proved to be a valuable addition to the campus. The trailer park is expanding for married students who choose the mobile home pattern of living. A new Science Hall is planned for the near future and the community of Huntington has given $115,000 to this project which will cost approximately $300,000 when completed.

High morals and spiritual values are a vital concern of the administration, the faculty and the student body. It is important that our institutions of higher learning be more concerned with these issues. We want and need young people today who have the courage and determination to take their stand for Christ and the Church. Most of these people will come from a Christian college, such as our own Huntington. There the individual is considered as such and as a person who needs a saving knowledge of the Lord Jesus Christ. A Christian atmosphere is important to one preparing for life's work.

Throughout the year there is a program of Christian emphasis, but each year a special effort is made to reach all students for Christ. Last year Dr. Earle W. Gates was the speaker for the services. This was a time of real blessing and many decisions for Christ were made. Six persons from Pennsylvania Conference attended the week-end services of this special week.

We are indebted to all our pastors and laymen who have prayed for the work of the college and have given liberally to its cause. Can we do less than we have previously done? May it not be so. Let us have a real burden for Huntington College and for the work being done there.

Respectfully submitted,

PAUL B. BAKER
